REQUIRES

METER TECHNICIAN LEARNER OR METER TECHNICIAN

North Bay Hydro Distribution Limited (NBHDL) strives to provide high levels of customer satisfaction and reliable electrical service within the North Bay, Ontario community. We value employees and are looking for the right person to come and join our exciting and dedicated team.

Under the direction of the Vice-President, Engineering and Operations, the Meter Technician Learner or Meter Technician will be responsible for testing, repairing, and installing single-phase and polyphase meters, programming time-of-use meters, and maintaining accurate meter records. As part of the Meter Technician Learner role, the candidate will be required to enroll in and successfully complete the MEARIE Group's Meter Technician Program to become a fully qualified journeyman Meter Technician.

Major Duties & Responsibilities:

- Repair and replace single-phase and polyphase meters.
- Install and verify meters according to Measurement Canada specifications.
- Install, assist with commissioning, and maintain IESO billing point meters.
- Program electronic meters and produce related reports.
- Maintain accurate meter records and perform annual inventory.

Minimum Qualifications for Both Roles:

- Grade 12 Secondary School Graduation Diploma.
- Post-secondary education with a focus on electrical technology or relevant work experience.
- Well-developed verbal and written communication skills.
- Valid Class "G" Ontario driver's license.

Additional Requirements and Qualifications for Meter Technician Learner:

- Must be prepared to attend and successfully complete the MEARIE Group's Meter Technician Program and progress through Learner, Improver to Meter Technician within six years.
- Successful completion of MEARIE Meter Technician's Theory Qualifying Test (covering atomic structure, basic electrical quantities, circuits, magnetism, electromagnetism, electrical meters, transformers, and more) prior to employment.

Additional Qualifications for Meter Technician:

- Journeyman Meter Technician Certificate accredited with the MEARIE Group's Meter Technician Program.

In addition to a competitive salary, we also offer a comprehensive benefit package. Interested applicants should submit their resume detailing related education, qualifications, and experience to:
